Dear Mr. Jan Thews,

Lots of greetings in our Lord Jesus Christ.

How are you? I am very thankful for your best concern and various assistance rendered me through the organization eduf.se that I am able to upgrade my study in accelerated midwife in Diploma. It has helped me a lot in my work. I hope to get more knowledge to give more service in future as I am very interested in the field.

Dear, this time we are very busy and as many delivery are coming to the hospital so more trained persons are needed. I hope you visit our hospital one day.

I wish you all the best and the Lord God bless you.

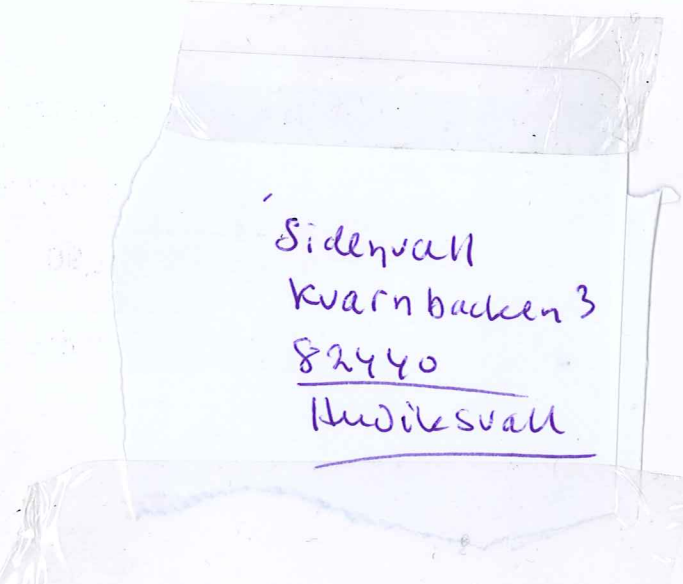

Happy and blessed Christmas and New year for you.

Again thank you very much indeed

Yours in Christ,

Ijigayehu Gobana
